

Control a monster and battle for supremacy within the Solar System! Would you challenge the sun and save the Earth? Will you ally yourself with the rampaging star? Or will you seek world domination as the supreme monster of the Solar System? Only you can decide! Get ready to conquer the world!

An asteroid filled with unknown blue liquid has hit the sun. The sun absorbs the liquid and becomes sentient. Controlled by the unknown liquid, the sun starts rampaging in space while sending radiation towards the Earth. Objects on Earth mutate from the radiation. Who will save us from this phenomenon?!
